

Rehearsal Schedule for Musicology

(Please arrive 15 minutes before scheduled time with dancers ready to go-meaning hair & make-up done, with costume on. Parents are welcome to sit, watch and enjoy the rehearsal. You may video tape your child's rehearsal. You will also be allowed to take photographs. Students are required to report to the side of the stage upon arrival, so staff members may take them back stage. Miss Charlee has again hired a professional to take pictures of the rehearsals. She will be the only one allowed to go up to the stage or on the stage during rehearsals. Please do not approach the stage at any time during rehearsal, or try to go back stage. Only helping moms will be allowed back stage besides staff members. Your student will be free to go after their rehearsal and will be brought out to the audience. It is the staff's job to do costume changes, staging, entrances, exits, line-ups, etc. We need the rehearsals to make sure that back stage runs smoothly for the show as well as the dance, music, lights and props. There are times when the schedule will run right on time & there will be times we might run over. We want to make sure we are putting on the best show possible. So, please arrive on time and we thank you so much for your outstanding patience as we prepare for a spectacular show!!!
