Picture Days and Times

Please arrive at least 10 minutes early to help us stay on time. The times listed are for group shots so, your dancer will have the opportunity to take individual shots before or after their group shot. Pictures will be viewed on the day taken and paperwork will be completed on that day as well. For those in multiple groups, printing address labels at home will expedite the process. Make sure you note ALL of your child's dances on the schedule so, you don't miss any group pictures. We expect all dancers to be present in the group photo. Individual pictures are optional.

REMINDERS

1. No outside cameras will be allowed in the studio where the pictures will be taken.
2. No boys or men in the girls changing rooms.
3. Dancers need to arrive with the following items:
 - a) ALL costumes
 - b) ALL accessories
 - c) Required shoes
 - d) Required recital tights
 - e) Hair & Makeup worn in recital form.
4. You will need to check in with the photo staff prior to getting your picture taken so, you get the correct paperwork, etc.
5. After your child's photo is taken, go back to the photo staff and make sure to pick up YOUR CHILD'S FORM as their actual picture will be printed on the order form.
6. You may have the individual picture retaken if you choose.

HAIR/MAKEUP

Beginning Ballet and Preschool Ballet/Tap will wear their hair 1/2 up with the rest in ringlet curls. Primary 1 and up will wear their hair in a bun.

BUN RULES:

Place the bun in the middle of the back of the dancer's head.

They must have a hairnet over the bun and it should be pinned with bobby pins.

There should be a 2 inch part on the right side of the dancer's head and NO BANGS.

JEWELRY

All Intermediate/Junior/Senior students are REQUIRED to wear rhinestone earrings and a necklace.

They need to be purchased at the One Stop Elite Dance Shop so they are uniform in size & color.

Clip-ons are available for those without pierced ears.

Younger dancers may wear small rhinestone stud earrings if they choose.

Elite Edge dancers are required to wear all jewelry worn during competition performances.

UNDERGARMENTS

No underwear, bras or body tights should be worn for pictures unless specified by Miss Charlee.
